

Transfer Undo Request Form

Instructions for the (Losing) Registrant

1. Prepare an Affidavit along the lines of the Form available on the next page. The language of affidavit may vary according to your local Court of Law, however, you need to state that -
 - a) you owned the domain name(s) previously with the Registrar <Losing Registrar Name>, and
 - b) you did not wish to get this/these domain name(s) transferred to Registrar <Gaining Registrar Name>.
2. Get this Affidavit notarized by the Notary Office of your local Court of Law.
3. Enclose Photo Identification Proof of the Losing Registrant and his/her Contact Details, in the form of either -
 - a) *Passport, or*
 - b) *Valid Driver's License, or*
 - c) *Article of Incorporation, or*
 - d) *Military ID, or*
 - e) *State/Government issued ID, or*
 - f) *Birth Certificate*
